Participation in the PARISH DIRECTORY on our Church Website?

Can we post **Your Family's Listing** and photo on the parish website ___ yes ___ no
(This section of the website will be password protected so only members can access the information)

Photographs for the directory will be taken at no charge in the parish hall by appointment. We want to finish the directory by October, so please keep your appointment as scheduled. Please call the Church Office (228) 875-4454 to schedule Your Photo Session.

Some tips for your photos

- 1- Have your family wear colors that will blend well.
- 2- When in doubt, plain designs in dark colors work best.
